

Café Beach Club

Café Beach Club is proud to announce that we now offer Brevé Coffee.

Brevé Coffee is an Artisanal Roaster that produces small batch, open flame roasted, and perfectly sized Arabica bean coffee. You won't need 30 different flavorings because its extraordinary flavor is what you would expect at a Four Seasons or Ritz Carlton. We believe it's the perfect cup of coffee.

Wake up at the Beach Club Hotel to the smell of perfectly roasted and freshly brewed Brevé Coffee. Grab a Brevé Coffee for your stroll on the boardwalk. Please join us today at Café Beach Club to experience Brevé Coffee. We offer ocean front dining that creates spectacular family memories!

Carolyn and I have been drinking Brevé Coffee at home for years, and now the founder Kevin Wiesehan has made it possible for us to bring Brevé Coffee to Café Beach Club. Brevé Coffee is the finest cup of coffee we have ever had, and we want to share that with you.

A word from the owner of Brevé Coffee:

Brevé Coffee began nearly three decades ago, and today, we continue to small batch roast our proprietary coffee blends. We believe in the significance of specialty coffee and screening the finest beans globally. As an engineer by trade, it is my relentless mission to design the most distinctive coffee possible, rendering milk, cream, and sugar unnecessary.

Sourcing the most exclusive beans in the world from Costa Rica to Tanzania, from Guatemala to Zimbabwe, Brevé Coffee effortlessly outperforms the rest with undeniable flavor without a twinge of bitterness.

I designed Brevé Coffee for the quality and specialized dining that Stephen and Carolyn have created. Brevé Coffee struck an instant connection with Stephen and Carolyn's values of transparency and uncompromising quality. Now, you can enjoy our life's passion together at Café Beach Club. Enjoy.
